

WHY SHOULD YOU BE ASE Certified?

- ✓ Customers entrust their vehicle to you for service. ASE certification shows them you possess the knowledge needed to do the job right.
- ✓ Employers prefer technicians who have demonstrated expertise. ASE certification can help you get hired, move up the career ladder, and increase your pay.
- ✓ Today's vehicles are increasingly complex. Through continuous training and renewing your ASE certifications, you confirm that you keep up with changing technology.
- ✓ ASE is a nationally recognized independent third party that has set the standard for service technicians since 1972. Your ASE certification shows that you are a proven professional.
